- **Keep the luminaire away from wet or hot surface.**
- **Don't touch the lamp when it is on.**
- **In case you need to replace the bulb, please take the plug off and wait for at least 5 minutes for the lamp to cool down.**
- **Please make sure your hands are dry before you touck the switch.**
- **Don't change any part of the luminaire by yourself.**
- **Keep away from children.**
- **If the external flexible cable or cord is damaged, it should be exclusively replaced by a qualified technician.**
